**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I highly value competition in the Internet service provider market. We are very thankful for our small local provider who gives us great customer service and meets our needs effectively. We have very little competition in our community and passing this bill will illuminate that competition forcing a monopoly in our area.
